WHAT DO OUR CLIENTS SAY ABOUT US?

Since I live abroad, I hired the Sofia City View Agency to sell my apartment. They prepared all the documents without additional fees and they even issued the documents from the authorities at their expense. I was only present at the Notary's office. I'm very pleased because they saved me time and money!

Kiril Petrov

I chose this agency because they guaranteed my commission back, if I was not satisfied. I was consulted on any questions I had about the sales process, even though I didn't use this option. They collected all the documents for me, including the ones at the Registry Agency and the Cadastre.

Milena Todorova

I found the Agency on the internet and initially approached it with a lot of distrust, as the property market is quite unfamiliar to me. However, after the first meeting with the General Manager, I realized that Sofia City View is a very client-oriented agency, that has its own lawyers, marketing specialists and great sales team. I sold my property at a higher price than I had set by myself!

Elena Zaharieva

Every stage of working with Sofia City View Agency was a pleasure for us. We didn't expect to be so easy to sell our property. We received a 100% guarantee in our contract that if we are not satisfied we will not pay anything to the Agency. After all, we can say with confidence that we are a 100% satisfied with the quality of Sofia City View's work. Marketing, sales, legal team - each of these units did their job perfectly and in our interest. Thank you!

Bozhilovi Family

The Sofia City View Agency is great! Its team strictly followed our requirements for the home we were looking for. All the viewings made sense and ultimately helped us negotiate a better price. Great professionals!

Martin Borisov

I was impressed by the attention they had on the requirements for the apartment I was looking for. They demonstrated a great trading approach and negotiated a much better price than expected. Finally, they even transferred electricity and water bill registrations in my name without paying anything extra. I strongly recommend Sofia City View Agency!

Vasil Traichev
